

the whole atmosphere changes and if we can do something about the manner in which this license is taken and something about either the amount of money that is charged for reinstatement or where that money goes, then I think the bill will have actually a positive thrust, which I don't see in the bill in its present form.

SPEAKER BAACK: Thank you, Senator Chambers. Senator Day, would you like to close on the advancement?

SENATOR DAY: Mr. President and members of the body, I knew this wasn't going to be an easy bill when I brought it to the floor and I said it would teach me a few things and that it certainly has done. I appreciate all the debate and the discussion that went on to this, and I think it is important. I think we will be able to reach an agreement with this, and I do let you know that I will work with Senator Chambers and Senator Lindsay and see if we can't come up with something to take the ALR out of there. That's not the major thrust of this bill. The major thrust of this bill, as I introduced it, was for the protection of our young people, to help those that were the...as Senator Lindsay said, the good kids, those that didn't drink, to live in a safe environment where they didn't have to worry about getting into the car with somebody that was drinking. That has always been what I wanted to do with this legislation. I think it's important and I hope we will vote this on to Select File and between now and then we will work something out on this. Thank you.

SPEAKER BAACK: Thank you, Senator Day. You've heard the closing on the advancement of LB 564. We'll now vote on the advancement. All those in favor vote aye, opposed vote no. Record, Mr. Clerk.

CLERK: 30 ayes, 2 nays, Mr. President, on the advancement of LB 564.

SPEAKER BAACK: LB 564 advances. We will do LB 564A.

CLERK: LB 564A was a bill introduced by Senator Day. (Read title.)

SPEAKER BAACK: Senator Day.

SENATOR DAY: This is merely the bill that goes along to
